DEAR CITIZEN OF HANNOVER,

If you would like to get involved in volunteering for our city and community, put Saturday 18 June 2022 in your diary! At the Volunteer Fair at the Kulturzentrum Pavillon you can explore a plethora of diverse organisations and volunteering opportunities.

Whatever our life circumstances, by volunteering we can all make a difference and actively help improve the quality of life in our city. Welcome to the Hannover Volunteer Fair!

Yours, Belit

Patron of the Volunteer Fair, Mayor of the State Capital of Hannover

Over 150,000 citizens of Hannover actively volunteer and are committed to what lies close to their heart – our city and our community.

**What cause would you like to support?
What volunteering opportunities or projects are there in your area?
What are you passionate about?**

From short-term involvement in temporary projects to longer-term commitment: at the Volunteer Fair you will get to meet people from various organisations, associations, initiatives and projects and gain a personal insight into what they do. We have also put together an exciting supporting programme for you.
